

# Napa Community Animal Response Team Emergency Preparedness Checklists

## General Supplies:

- Maintain Safe Emergency Water Supply (minimum 3 days for evacuation, 14 for home)
- Maintain Emergency Food Supply (minimum 3 days for evacuation, 14 for home)
  - Food should be non-perishable, easy to prepare; rotate stock so it stays in date
  - Keep in easily accessible place that seems least disaster-prone
- Flashlight and extra batteries, or solar
- Battery powered or solar/hand crank radio and cell phone charger
- First Aid Kit for humans and animals
- Personal and pet medications and related supplies (batteries for hearing aids, syringes for injectable drugs, extra reading glasses, vet wrap, etc) for 7 days
- Multi-Purpose Tool for shutting off power, gas and water
- Sanitation and personal hygiene items (toilet paper, “baby wipes”, shampoo, etc.)
- Keep copies of the following documents. Consider storing copies in cloud and originals in safety deposit box.
  - Medication List and Pertinent Medical Info (Doctor and phone number, health insurance, etc)
  - Proof of Address
  - Deed to Home or lease agreement
  - Passport
  - Birth certificate
  - Social Security card
  - Insurance policies
  - Family and Emergency Contact information
  - Video of house and property
- Cell Phone and Chargers, solar and car plug-in
- Extra Cash (note: if ATMs are not working, you will need cash)
- Blankets and Sleeping Bags
- Pillows
- Maps of the area
- Two Way Radios (walkie-talkie or better), Zello app on your cell phone
- At least two or three changes of clothes
- Shoes and Boots
- Spare house, property and vehicle keys
- Duct Tape
- Liquid Household Bleach without any perfumes, dyes or additives (at least one gallon)
- Entertainment items: playing cards, musical instrument, sketchbook, journal, knitting
- Basic Toolkit: hammer, nails, screw drivers (Philips and Slot), adjustable wrench, bolt cutters
- Full fuel tank(s), jumper cables and quality spare tires & jack in all evacuation vehicles

# Napa Community Animal Response Team Emergency Preparedness Checklists

**Napa CART strongly recommends that: ALL large and small animals be microchipped and ownership is registered to microchips in advance of any emergency or disaster.**

## Small Animal Supplies:

- Collar
- Leash or harness
- 3 days or more of food if evacuating, minimum 10 days of food if sheltering in place
- 10 days of water if sheltering in place
- Water bowl
- Food bowl
- Can Opener
- Litter box and litter
- Sleeping pad or blanket
- Carrier/Travel Crate with your name and mobile number on it
- Vaccination, Health (with Veterinarian's info) and Ownership Records attached to crate and copy stored on cloud
- Recent photos with owner, highlighting unique markings or distinguishable features
- Medicines and Prescriptions
